DETAILED ACTION

1. Claims 1-11 and 66-76 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 1, line 5, "the funds" lack antecedent basis.

Claim 66, line 8, "the funds" lack antecedent basis.

Claim Rejections - 35 USC § 103

2. Claims 1-11 and 66-76, as understood, are rejected under 35 U.S.C. 103(a) as being unpatentable over Wolfberg et al., US 5,745,706.

Applicant is directed towards paragraph 6 of the previous Office Action regarding Wolfberg. Applicant's July 11, 2005 REMARKS have been reviewed, but are not convincing.

Applicant's claim language "job-based budget" does not provide descriptive limitations that define over Wolfberg. In broad scope and content the account of Wolfberg may be viewed as a job-based budget as balance and performance goals fully meet this claim limitation and associated limitations.

Regarding Official Notice, Applicant has not addressed the two step traversal process that is required to adequately overcome an Official Notice application. Applicant's insistence that a specific knowledge of the prior art must always be supported by a citation is noted, but not convincing. This support need not be provided,

if the traversal is improper. Applicant is taking common knowledge, e.g. analyzing allocation or special accounts, that has been previously done manually and apply these manual steps to common knowledge electronic commerce. This is not deemed novel.

Applicant's REMARKS that investment managing and job-based budgeting are different fields with different techniques is not convincing. No support for such a statement has been provided.

Conclusion

3. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
